Manufacturing Services

- Large Lathe Manufacturing
- Production Machining
- Prototype Machining
- 5 Axis Machining Centers
- Boring / Grinding
- Tool Room
- Gage Calibration
- First Article Inspection
- Government Acceptance Office

Metal Fabrication

- Rotary Forging (21.75" x 393")
- Welding
- Straightening
- Composite Materials
- CARC Paint
- Flow Forming

Support Services

- CAD / CAM / CIM
- Wire EDM
- SPC (Statistical Process Control)
- CMM
- TDP Certification
- Project Management
- Process Development

Chrome Plating
Small to Large Part Heat Treatment
Small to Large Prismatic Machining
Surface Coatings & Treatment
